

Hello Students!

Want an opportunity to gain relevant business experience while working with an innovative and industry-leading retailer? Target offers paid **Store Executive Internship** opportunities (For Sophomore and Junior students). You'll gain invaluable on-the-job experience, career development and leadership opportunities while getting an introduction to our collaborative, fun and engaging culture.

Graduating and looking for a career? Become an **Executive Team Leader** (Graduating Seniors or Alumni) and focus your efforts in a specific area of store operations, including Guest Experience, Human Resources, Sales Floor, Logistics, Assets Protection or Food. Motivate a team of 30-60 team members to improve performance and ensure guests have the best possible Target shopping experience during every visit.

Skills we look for:

- Action-oriented leadership
- Relationship-building aptitude
- Strong written and verbal communication abilities
- Problem analysis, decision making and analytical capabilities
- Diverse background, experiences and skill sets

Apply online at [Target.com/careers](https://www.target.com/careers) and create your candidate profile for **Internship Job Code STO00019E**, or **Executive Team Leader Job Code: STO00019D**.
