1. MBA Goals and SLOs. The Committee regularly reviews current goals and student learning outcomes (SLOs) for the MBA program. A part of this process, the Committee will be modifying the current goals and SLOs which will be included in the 2011-12 assessment report. This process will help to ensure the MBA curriculum remains focused and relevant.

2. MIS Joint Doctoral Program. The Committee met with representatives from the MIS department to discuss the proposal on a joint SDSU-Claremont Graduate University doctoral program in Information Systems. During the fall semester and winter recess the Committee provided Robert Briggs constructive feedback on the program proposal and curriculum. The Committee unanimously voted to support the proposal for the new program.

3. Meeting adjourned. The next meeting is 6 February 2012 from 10:00-12:00pm in the Dean’s Conference Room.
