1. MBA curriculum revision. The Committee dedicated the entire meeting to working on the MBA core courses to support the MBA program curriculum revision. Committee members are working with faculty from their respective departments to redesign the MBA core courses. This process involves drafting new syllabi for the courses and preparing the necessary university forms to support the curriculum revision process.

2. Meeting adjourned. The next scheduled meeting is 29 October 2012 from 10:00-12:00am in the Dean’s Conference Room.
