2. The Committee continued its discussion of standards for substituting an alternative learning experience for BA 795 or other course credit.

3. The Committee reviewed a draft of the exit survey to be given to students as they finish the MBA program.

4. There were no CBA curriculum proposals to review for this meeting.

5. Meeting adjourned. The next scheduled meeting is December 4, 2015 from 1:30-3:00pm in the 3M Sales Lab.
