1. **Curriculum – FIN 496**
   Krentler confirmed the result of an electronic vote taken of the PAC during the week of April 29 – May 3. The committee voted unanimously to approve a proposal for a FIN 496 Special Topics course to be offered in Fall 2013.

2. **Curriculum – MBA Program Revision**
   Heather Honea led the committee through a review of the revised MBA Program package. The review and subsequent discussion included consideration of how the MBA program changes, in the proposed revision and the basis for the changes. Change is based on a variety of factors including prior assessment findings, a benchmarking of top programs, and a review of the external environment with respect to MBA education. The review further considered the Goals and Student Learning Outcomes for the revised program as well as the Student Learning Outcomes of individual new courses proposed as part of the revision package. Some discussion regarding the core of the proposed program also occurred.

   Following review and discussion the committee voted on whether to approve the program package in its entirety subject to edits in wording to some course-level SLOs. The vote was 6 in favor with one abstention.

   The revised MBA program package has been approved by the PAC.

3. **Annual Assessment Report**
   Krentler reminded the committee that annual assessment reports are due to be input to WEAVE no later than August 1, 2013.

The meeting adjourned at 9:55 a.m.

This was the last PAC meeting of the 2012-2013 academic year.

EMBA, Finance, and Accounting annual assessment findings presentations for this year will be presented in September 2013.
