1. HTM Program Change  
The Committee discussed a program change submitted by Hospitality and Tourism Management (HTM) calling for ACC 202 to be deleted from its preparation for the major. HTM students currently take ACC 202 and HTM 223 – Hospitality Managerial Accounting and Controls. The Committee discussed a variety of issues related to the program change, including the extent to which there was overlap between ACC 202 and HTM 223. The motion was tabled until further information can be provided by HTM. Grudnitski will contact Carl Winston, the Director of the HTM program.

Meeting Adjourned 1:00 p.m.

Next Meeting: Friday, March 22, 2002; Noon, Dean’s Conference Room.
