Meeting called to order at Noon.

- **BA 296** – The Committee reviewed a proposal for BA 296 – this is a special topics course that would replace what is currently being taught in Professor Bost’s section of MGT 202. The proposal to make this a BA course rather than a MGT course reflects the content of the course and its target of students in the CBA Faculty-Mentorship program. It is anticipated that the special topics proposal will be followed shortly by a proposal for a new course proposal.
  - The proposal passed unanimously.

- **MKT 496** – The Committee reviewed a proposal for MKT 496 – this course was approved previously as a new course, MKT 475. The MKT 475 proposal, however, did not complete the curriculum process in sufficient time to be placed in the 2002-2003 Catalog. It has been approved and will be in the 2003-2004 Catalog. The Marketing Department wishes to teach the course in the upcoming year.
  - The proposal passed unanimously.

Meeting Adjourned 1:10 p.m.
