Undergraduate Committee
Minutes
May 3, 2002

Present: Pat Dintrone, Larry Gitman, Gary Grudnitski, Dong Jung, Kathy Krentler, Fred Raafat

(This meeting was the last meeting of the Undergraduate Committee for AY 2001-2002.)

I. IDS Curriculum Proposals
a. 482: Title and Description Change (from Information and Decision Systems Practicum to Information Systems Management Practicum) – Passed Unanimously
b. IS Major Change in Program (makes 483 a required course and changes 375 from a required course to an elective) – Passed Unanimously
c. 480: Prerequisite Change (removes 375) – Passed Unanimously
d. 406: Prerequisite Change (removes 375) – Passed Unanimously
e. 483: Prerequisite Change (removes 375) – Passed Unanimously

II. This Year – Wrap Up
The committee reviewed the nine reaccreditation initiatives it has been assigned. Eight of the nine initiatives are complete and the remaining one is a work in progress.
Reaccreditation Initiatives
a. IA.1: Objectives – Completed
b. IA.2: Majors Consideration – Completed
c. IA.3: Core/Prep Assessment – Completed/On-Going for FIN 323, MGT 350, MKT 370*
d. IA.4: Closing The Loop – Completed
e. IA.5: Technical Requirements – Completed
f. IA.6: Content Requirements – Completed
g. IA.7: Integration of Core – Working on*
h. IA.9: Documentation – Completed
i. IA.10: Documentation – Completed

*IA.3: Core/Prep Assessment
- Assessment of the remaining core courses remains to be undertaken: IDS 302, MGT 405
- Discussion needs to occur about how to approach assessment of prep courses.
- Evaluation of Assessment findings and resultant recommendations for change needs to occur.

IA.7: Integration of the Core
- Pilot program is in place for block scheduling for Spring 2003.
  - Assessment of the program will need to occur.
Discussion (if assessment is positive) regarding how to take block scheduling to the “next level” (i.e. integration of content) will need to occur.

II. Next Year – Looking Ahead
   a. Honors Program
      In Fall 2002 the UG Committee plans to evaluate the status of the CBA Honors Program after its first year of operation.
   b. Core/Prep Assessment
      Tasks as indicated above.
   c. Integration of the Core
      Tasks as indicated above.

III. Thanks
Gary Grudnitski (Chair) and Kathy Krentler (Director of UG Programs) thanked the committee for its hard work during the past academic year.
