Absent: Najwa Ahad (student representative), Mehdi Salehizadeh

I. Lower Division Transfer Patterns (LDTP)
Grudnitski reported on a meeting he attended on March 12th regarding the finalization of LDTP across all CSU campuses and community colleges Statewide. With 20 of the 23 CSU campuses represented, a common transfer pattern for business consisting of 51 lower division units was agreed upon. Individual campuses may require additional units beyond the 51 for their transfers. In the case of SDSU, 12 additional units are required – consisting of Legal Environment of Business, Business Calculus or Calculus, Probability & Statistics, and Business Communications.

II. Ethics
The Committee discussed the current status of the College’s efforts to deliver course content in the area of ethical reasoning to all CBA students. Currently the College has decided not to further pursue the outsourcing of a course containing this content, but rather to focus on delivering the material inside the CBA. Discussion centered around the pros and cons of developing a one-unit stand alone course versus adding a unit of ethics material to an existing core course.

Meeting adjourned: 1:35 p.m.

Next Meeting: Monday, April 4, 10:00 a.m.; Dean’s Conference Room
