1. **Lavin Entrepreneurship Center Recruitment Report.** The committee received the Lavin Entrepreneurship Program Marketing and Recruitment Report for the class of 2015-2017. When the committee originally approved this program, it had some concerns that transfer students would not have access to the program because students are recruited during the spring of their sophomore year. The committee discussed the report and generated ideas for how the Lavin Center might reach out and attract more transfer students to apply. Grudnitski will meet with Alex DeNoble to discuss some of the ideas discussed by the committee.

2. **Discussion with Sandra Cook, AVP Enrollment Services.** Sandra Cook attended the meeting to discuss with the committee the university admissions process for native and transfer students and how it impacts the College. The committee also discussed the impact of the Associate Degree for Transfer (ADT) on the last admissions cycle. Cook noted that transfer students are admitted by major. Grudnitski asked what the impact of admitting by major has been on the quality and quantity of the College’s students. Cook agreed to conduct an analysis on how admissions would have differed for last admission’s cycle if admissions were on a College basis. Grudnitski will share with the committee the results of this analysis at a later meeting.

The meeting adjourned at 11:35 p.m. The next Undergraduate Committee will be held on October 14th at 10:00 a.m. in the Dean’s Conference Room.
