

5th Annual Green Org Award 2013

The Enviro-Business Society is an environmental advocacy group at SDSU. We believe that at the core of this green movement there are three pillars which must always be upheld: ecology, ethics and economics. As a student organization of the Associated Business Student Council, we will be presenting the Green Org Award to an outstanding student organization committed to running their organization with consideration for the environment.

This application is due by February 25th, 2013 to Heather LaPerle (EBA 448) by 5pm or by e-mail to hlaperle@mail.sdsu.edu. Please also note, interviews will be held on March 22nd, 2013 (subject to change).

How to apply for the 2013 Green Org Award:

1. In 200 words summarize the practices your organization has utilized to be environmentally sustainable during the fall 2012 semester.
2. Contact clube3@gmail.com to set up a sit in on one of your organization's Executive Meetings and on one Member Meeting. These **mandatory** sit-ins will start on March 4th and end on March 20th. *
 - a. During these sit-ins e3 will be evaluating your organization based on the attached rubric.
 - b. Be able to prove with receipts or other means that your club has been incorporating green initiatives.
 - c. *If your organization's meetings are not open, please contact us to make an alternate arrangement.*

In accordance with sustainable practices this is a completely electronic application, no exceptions

Need ideas for sustainable practices your organization could be following? Shoot us an email and we will send you a list of resources.
